## Quisset Wildlife Management Area

**Towns:** Blackstone, Mendon

**Acreage:** 425

**Wildlife Management Zone:** 9

### Description of property:

Quisset WMA contains mixed hardwood and conifer forests. This property is bordered by Quisset WCE owned by the town of Mendon and open space to the north. Quisset Brook bisects the management area.

### Location/Access/Parking:

There is a parking area located near the end of Quisset Hill Road in Mendon that can accommodate 4 vehicles. Additional access can be obtained from Mendon Street in Blackstone by crossing through a parcel of the Quisset WCE.

### Hunting Opportunities:

The habitat within this property supports white-tailed deer, wild turkey, and gray squirrel. The power and gas line right-of-ways provide cover for small game and other upland game species. The presence of Quisset Brook and Round Meadow Brook offer opportunities to pursue aquatic furbearers.

### Wildlife Viewing and Other Features:

Raptors are commonly seen along the gas and power right-of-ways as they hunt for small game.

### Special WMA Regulations:

None.
